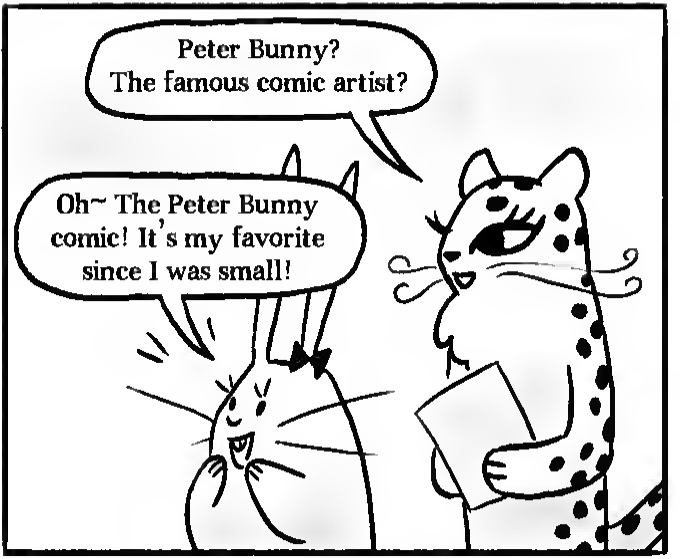
While comics and cartoons were just for laughs when I was small, now they bring back many lovely memories.

I can learn something that makes my day better too.

Guess what, I interviewed Peter Bunny today!



Peter Bunny? The famous comic artist?
Oh~ The Peter Bunny comic! It's my favorite since I was small!

I have many hobbies.

My favorite hobbies are comics and cartoons.

*Apart from sweets and desserts.

I grew up reading many comics

and watching many cartoons.

Hey Tiff,
what are you reading?
Oh, it's my favorite comic.
MENU

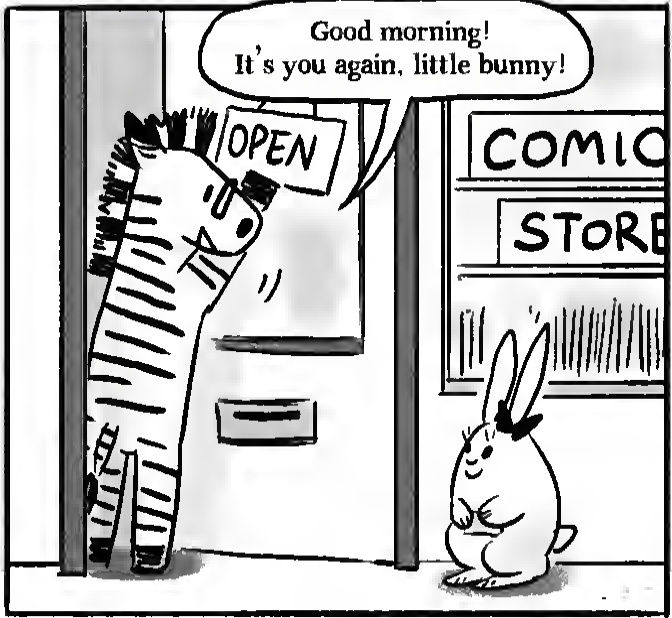
Comic remains an inseparable part of my life.

Each day,

I keep up with the everyday life of comics and fans.

When I had a bad day,

I read something happy to cheer myself up.



Good morning!
It's you again, little bunny!

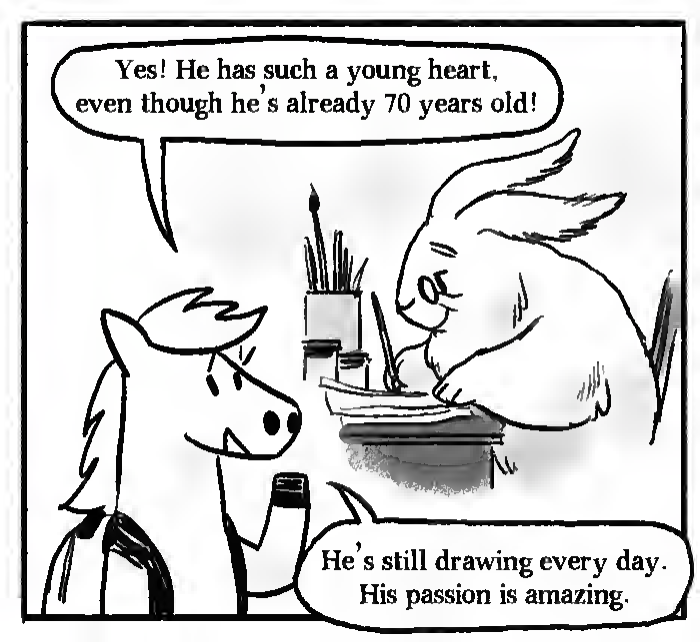
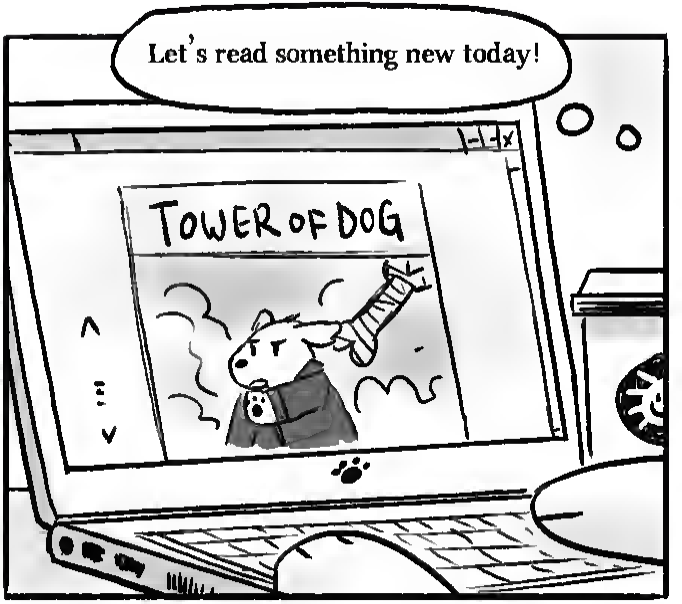
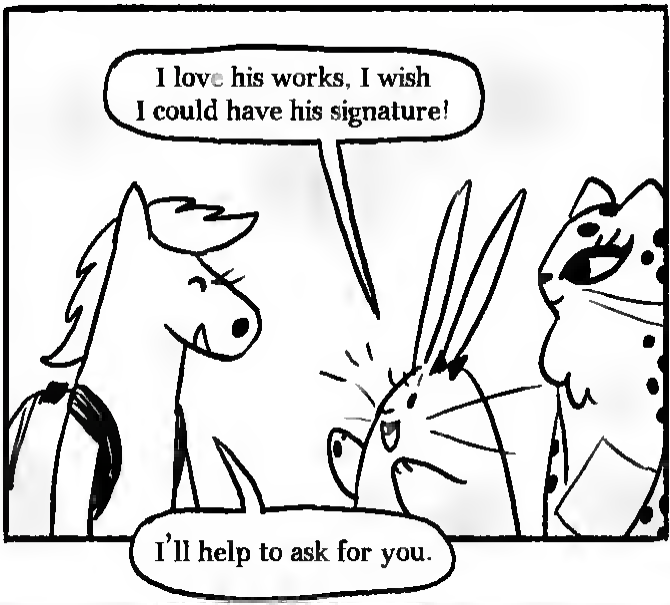
Not Just For Kids



Yes! He has such a young heart, even though he's already 70 years old!
He's still drawing every day. His passion is amazing.

When I feel adventurous, I read something exciting and go on a journey with the characters.





I love his works, I wish I could have his signature!
I'll help to ask for you.

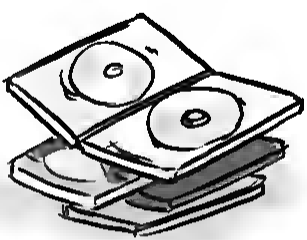
Let's check the new webtoons episodes today!

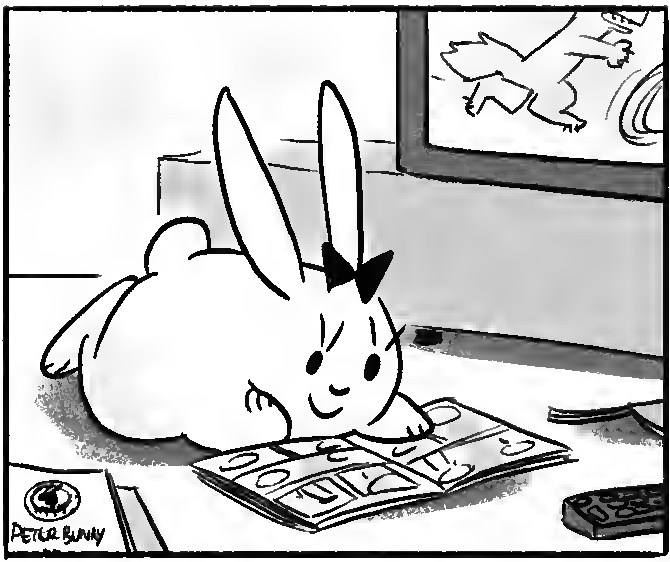


Many of my favorite cartoon shows have ended,

and I enjoy revisiting them again and again.

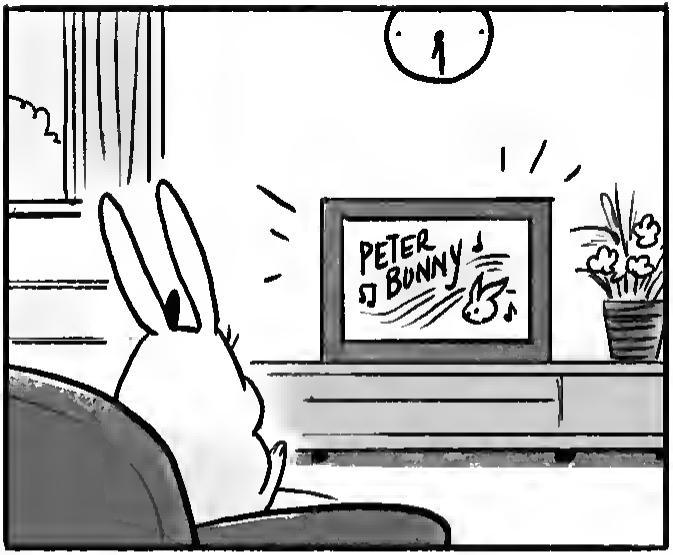
When I am bored,

I read something funny to have a good laugh.

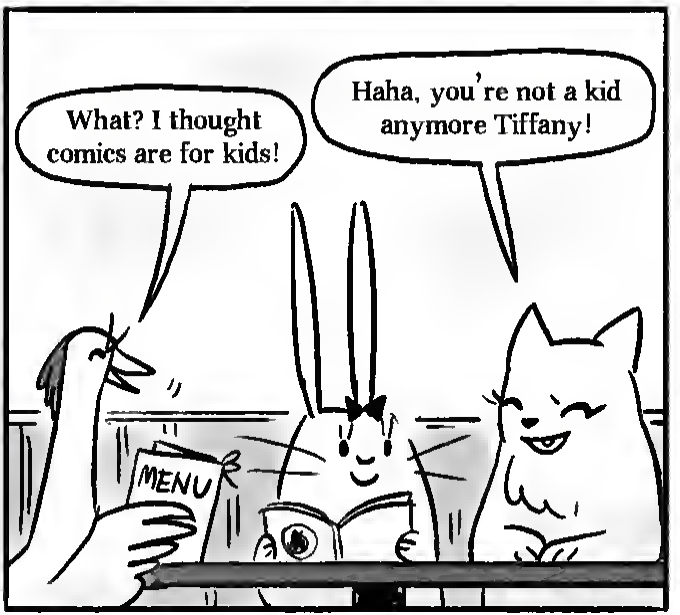


Every week, I waited excitingly to

buy the new book and watch the new episode.



And I still do now.



What? I thought comics are for kids!
Haha, you're not a kid anymore Tiffany!

I'm not a kid anymore, but I still love it a lot!
Who said only kids can enjoy comics?
PETER BUNNY

Good morning Tiffany! No work today?
No, I'll go to work after I buy the new issue!
